Volunteers

Trustee Volunteers Needed. One of the key components to trustee education is what we can learn from each other. Trustees sharing their individual and board experiences with their peers is a valuable resource. The FPPTA Education Committee would appreciate “volunteers” for its 2020 program offerings who are willing to make themselves available for questions or advice, especially to new trustees. Please contact Peter Hapgood, Director of Education at peterhapgood@fppta.org if interested.
