CPPT Wall Street Program

Each Spring we host a unique conference in New York City for 40 of our CPPT recipients and their guest (1 guest per person, no children) to visit the New York Stock Exchange. The 40 trustees are chosen by a lottery system from the registration forms submitted. Eligibility Requirements: Trustee must have all CEUs current and fees paid; Trustee is eligible to attend every third year. This program is designed for Public Pension Trustees to continue their education. Associate members may attend as a sponsor only.
