Have the Pandemic's Investment Themes Changed

Moderator: Mike Spencer, CPPT, FPPTA Education Committee
Mike Welker, AndCo Consulting
Howard Bos, CPPT, Richmond Capital Management
Kurt Wood, DePrince, Race, Zollo

As pandemic restrictions ease in the United States and we return to normalcy, what can we project about the future of investment themes that have dominated during the last year or so? Will they continue, or will things revert to previous patterns? The panel will look at several themes including: value vs. growth, international vs. domestic equities, the risk of inflation, and where large cap tech stock might go from here?
