

Brian Collett, CFA, CAIA
Managing Director, Strategic Engagement at I Squared Capital

Brian Collett is the former Chief Investment Officer for a public fund, with over two decades of experience managing multi-billion-dollar portfolios across public and alternative asset classes. Throughout his career, he has focused on fostering strong partnerships and delivering top-decile performance by reshaping strategies and empowering teams.

At I Squared Capital, Brian leverages his extensive leadership experience to enhance client relationships and ensure alignment with Limited Partners' objectives. His role focuses on delivering tailored solutions that strengthen collaboration, streamline communication, and drive operational excellence. Brian's strategic initiatives have helped reinforce I Squared Capital's reputation as a trusted partner in global infrastructure investments.

Brian has also served on corporate and fund advisory boards, contributing strategic insights to foster growth and long-term success.
